1.2 Alleged breaches of the Code of Conduct (in Regulation 2: Disciplinary Offences) which occur on or off the field in connection with any of the following matches or competitions:

1.3 Alleged breaches of the Codes of Conduct for Managers, Coaches, Selectors, Parents or Guardians, or Players set out in the Cricket Ireland Safeguarding Policy and Guidance for Cricket Clubs that occur in connection with the above matches or competitions.

1.4 Any suspension for a period of time for a Level 3 or Level 4 offence imposed by Cricket Ireland shall apply also to Provincial Union competitions and visa-versa and shall be notified to the Chief Executive/General Manager of the relevant Provincial Union or the Cricket Ireland Disciplinary Secretary, as appropriate.

EXCEPT in the cases of Regulations 1.1, 1.2.1 and 1.2.2, where the matter (be it an alleged breach of the Code of Conduct or of corruption) occurs under the authority of another body whose authority Cricket Ireland has acknowledged shall apply to such matters.

No Appeal Commissioner shall be a current member of the Board of Cricket Ireland.

4. DISCIPLINARY PROCESS

The person or club against whom a Complaint (as defined below) is made shall be “the Respondent”.

The Complaint

(a) Complaints against Players and/or Team Officials under Regulations 2.1-2.7 and 2.9 or against clubs under Regulation 2.9

4.1 The statement setting out the alleged offence (“the Complaint”) shall be in writing and must be sent to the Secretary no later than seven days after the end of the match at which the alleged offence occurred. It may be sent by letter or email. Where the Complaint relates to a Level 1 offence that falls to be dealt with by the Match Referee, the Complaint shall be handed to the Match Referee as soon as possible after play ends.

4.2.1 Where the alleged offence took place on the field of play or elsewhere within the sight and hearing of the Umpires, only the Umpires may make the Complaint.

4.2.2 Where the alleged offence was not so witnessed by the Umpires, the complaint may be made by a duly authorised officer of the opposing club or of the Provincial Union in which the match took place.

4.2.3 Where the alleged offence occurred on any website and/or social media platform, the Complaint may instead be made by the body responsible for appointing the match official(s) commented upon or by a designated Cricket Ireland officer. It shall be submitted within seven days of it coming to the attention of the complainant, who shall provide appropriate evidence to support the allegation (web link, photograph, screenshot etc).

4.3 Where the Umpires have decided, in the course of a match, to make a Complaint against a Player, they shall invite the Player and his/her captain to meet them after the end of the match to discuss the alleged offence. The Disciplinary Panel, or a Deciding Officer (the Chair, Vice-Chair or Match Referee) where an alleged Level 1 Offence is being dealt with under Regulation 4.4, may make an adverse inference where the Player or Captain has failed without good reason to attend such a meeting. Where the captain fails to attend, he/she may be cited separately for a breach of the regulations under 1.8 or 2.1b as appropriate

4.4 Level 1 Offence exception

Where the Complaint relates only to a Level 1 Offence by a player, the Deciding Officer (the Chair or Vice-Chair or the Match Referee in Inter-Provincial, Super Series or Wolves matches), shall deal with the matter on the basis of the documentation as follows, without a hearing:

4.4.1 The Secretary (or Match Referee where appropriate) shall provide a copy of the Complaint to the player and invite a written submission from him/her.

4.4.2 Any such submission shall be received not more than five days from the date that the player receives a copy of the Complaint. However, where the situation requires a reduced timeline (e.g. Inter-Provincial series) the Match Referee may reduce the submission time, but to no less than one hour from the respondent's receipt of the complaint from the Match Referee.

4.4.3 Having received the player's written submission, or where none is forthcoming, the Chair or Vice-Chair, or the Match Referee, shall reach a decision on the Complaint and advise the player in writing by letter or email of his/her decision and of any penalty, and forward a copy to the Chief Executive of Cricket Ireland and, if applicable, to the Honorary Secretary of the Respondent's club and the Chief Executive/General Manager of the Provincial Union in which the Respondent's club participates in club cricket. However, if the situation requires, a match referee shall be empowered to give the decision orally provided it is subsequently circulated to the above named individuals.

4.4.4 There shall be no appeal from such a decision.

(b) Complaints under the Cricket Ireland Safeguarding Policy and Guidance for Cricket Clubs

4.5 The Complaint shall be in writing and must be sent to the Secretary no later than seven days after the end of the match, coaching session or tournament at which the alleged offence occurred. It may be sent by letter or email.

4.6 The following shall have authority to make a Complaint:

Against a Manager, Coach or Selector – Another Manager, Coach or Selector, or a Parent or Guardian, or a duly authorised officer of the opposing club (or of another National Board in the case of an international fixture or tournament).

Against a Parent or Guardian – A Manager, Coach or Selector, or another Parent or Guardian, or a duly authorised officer of the opposing club (or of another National Board in the case of an international fixture or tournament).

Against a Player – A Manager, Coach or Selector, or the Parent or Guardian of another Player, or a duly authorised officer of the opposing club (or of another National Board in the case of an international fixture or tournament).

(c) Hearing

The following shall apply to all offences other than Level 1 offences by a player dealt with under Regulation 4.4.

4.7 An individual panel (“Disciplinary Panel”) comprised of a Chair, who shall be a Disciplinary Committee member and two others who shall normally be Disciplinary Committee members, shall be appointed by the Chair or Vice-Chair of the Disciplinary Committee to adjudicate on the Complaint or Complaints. At least one member of any Disciplinary Panel shall have professional legal experience. Where the Disciplinary Panel determines that an offence reported as higher than Level 1 is more appropriately a Level 1 offence, the Chair of the Disciplinary Committee shall be entitled to apply Regulation 4.4 above, without the need to convene a hearing.

For a hearing relating to an allegation of corruption, the members of the Disciplinary Panel shall be drawn from the membership of the Disciplinary Committee or, in the event of insufficient being available, other suitable persons appointed by the Chair or Vice-Chair of the Disciplinary Committee.

4.8 Each member shall have one vote. In the event of an equality of votes for any reason, the Chair shall have a casting vote.

4.9 In appointing the Disciplinary Panel, the Chair or Vice-Chair of the Disciplinary Committee shall, insofar as is practical, endeavour to ensure that no person is appointed who has a conflict of interest in relation to the Complaint or the Respondent.

4.10 The Disciplinary Panel shall have all powers necessary for, and incidental to, the exercise of its functions and, subject to these Regulations, it shall have the power to regulate its procedures.

4.11 The hearing shall be held as soon as reasonably practical and shall be confidential and held in private, unless the Disciplinary Panel decides otherwise.

4.12 The Disciplinary Panel may postpone or adjourn a hearing if appropriate, including to take any legal advice that it considers necessary, or if it considers it necessary to call evidence that was not available at the hearing.

4.13 The Respondent, or, in the case of a club, a duly authorised officer of the club, shall be invited by the Secretary to attend the hearing. He/she shall be sent a copy of the Complaint and notified in writing of:

(i) his/her entitlement to have the matter dealt with under Regulation 4.14.

(ii) the place and time of the hearing;

(iii) his/her entitlement to be accompanied to the hearing, at his/her own cost, by a supporter. The supporter may be a work colleague, fellow player, family member or friend (he/she is not entitled to be legally represented);

(iv) where applicable, the requirement that any Respondent aged under 18 shall be accompanied at the hearing by a responsible adult (preferably his/her parent or guardian); and

(v) his/her entitlement to call witnesses to give evidence at the hearing.

Where the Respondent is aged under 18, the notification shall be sent to his/her parent or guardian.

4.14 For all offences other than Level 1 Offences, a Respondent may admit to the offence in writing to the Secretary and submit in writing any statement he/she wishes to make as regards the appropriate penalty. In such circumstances, the Disciplinary Panel shall decide the penalty without the need for a hearing.

4.15 The Disciplinary Panel, at the request of the Respondent or on its own initiative, may require the Respondent, and/or the person making the Complaint, and/or either club, and/or any other person referred to in the umpires' report, to supply it, within such time as it determines, with further particulars of the incident(s) giving rise to the Complaint. The Respondent shall also provide details of all witnesses whom he/she intends to call at any hearing together with details of the evidence to be given by those witnesses. Any person required to provide such information shall comply with that direction.

4.16 Any failure by a Respondent to comply with any requirement or direction of the Disciplinary Panel, including those requirements or directions to be complied with within a time period, shall

not prevent the Disciplinary Panel from proceeding and such failure may be taken into consideration by the Disciplinary Panel when making its decision.

4.17 The Disciplinary Panel shall have the power to decide on the admissibility, relevance and weight of any evidence and shall not be bound by any legal rules in relation to such matters. Facts may be established by any reliable means, including admissions.

4.18 The Respondent's supporter may advise the Respondent during the hearing, may question witnesses and make representations on the respondent's behalf, and may seek procedural guidance from the Disciplinary Panel. He/she shall not answer questions on the Respondent's behalf.

4.19 Any failure by the Respondent or his/her supporter to attend a hearing after notification shall not prevent the Disciplinary Panel from proceeding with the hearing in his/her absence.

4.20 A minute shall be taken of all hearings by a Secretary or, in his/her absence, by another person appointed by the Disciplinary Panel.

5. THE DECISION & PENALTY

5.1 For the avoidance of doubt, although a Complaint may categorise an offence as a Level 1 or other category of offence, a Disciplinary Panel or Deciding Officer (Chair, Vice-Chair, or Match Referee) shall not be bound by that categorisation and may decide that another category of offence, and therefore penalty, is appropriate. If a Deciding Officer determines a Level 1 offence should be heard by a Disciplinary Panel then a Disciplinary Panel, not including the Deciding Officer who made that determination, shall be convened.

5.2 The standard of proof shall be whether the Disciplinary Panel is comfortably satisfied, bearing in mind the seriousness of the allegation that is made, that the alleged offence has been committed. This standard of proof shall be determined on a sliding scale from a mere balance of probability (for the least serious offences) up to a very high probability (for the most serious offences).

5.3 After hearing the evidence the Disciplinary Panel shall, where appropriate, retire to consider its decision. The Chair shall then give the Disciplinary Panel's decision orally to the Respondent. If that decision is that the Respondent is liable in respect of the Complaint, the Respondent shall be given the opportunity to make a submission/statement on the appropriate penalty.

5.4 After listening to any such submission/statement the Disciplinary Panel may retire to reach its decision on the penalty.

5.5 The Disciplinary Panel may hear the Respondent's submissions on penalty prior to having reached its decision on the Complaint, where it would be unreasonable or impractical to hear the submission after reaching its decision on the Complaint.

5.6 In deciding the penalty, the Disciplinary Panel shall have regard to any prior disciplinary record of the Respondent.

5.7 The Disciplinary Panel may suspend, in whole or in part, the imposition of any penalty subject to conditions determined by the Panel. Such conditions may include, but are not limited to, the Respondent completing specified training, engaging in restorative or educational activities, or undertaking other forms of alternative redress as directed at his/her own expense.

5.8 The Chair shall, where reasonably practical, give the decision orally at the hearing. It shall be effective immediately upon oral communication to the Respondent. The oral decision shall be confirmed in writing to the Respondent (in the case of a Respondent aged under 18, his/her parent or guardian) within seven days by letter or email, and a copy forwarded to the Chief Executive of Cricket Ireland and, where appropriate, to the Honorary Secretary of the Respondent's club and the Chief Executive/General Manager of the Provincial Union in which the Respondent's club plays.

6. APPEAL PROCESS

6.1 A Respondent may appeal from the decision of the Disciplinary Panel as to the finding of liability, the penalty imposed or both, other than as provided in Regulation 4.4.

6.2 Notice of any appeal must be made in writing and sent to the Chief Executive by letter or email no later than seven days after receipt of the written decision of the Disciplinary Panel and:

6.2.1 must be accompanied by an administration fee of £85 or €100; and

6.2.2 must set out the legal or procedural grounds for the appeal.

6.3 The Chief Executive shall, once an appeal has been received by him/her, appoint an Appeal Commissioner and forward to him/her details of the Complaint, any witness statements, the decision of the Disciplinary Panel and the minutes of the hearing.

6.4 If the Appeal Commissioner appointed to hear an appeal considers that he/she may have a conflict of interest he/she shall advise the Chief Executive of this. The Chief Executive shall then appoint another Appeal Commissioner to hear the appeal.

6.5 An Appeal Commissioner shall have all powers necessary for, and incidental to, the exercise of his/her functions and, subject to these Regulations, he/she shall have the power to regulate the procedures of matters which come before him/her. He/she shall conduct the appeal hearing in accordance with Regulations 4.10-4.20, with such adjustments as the Appeal Commissioner deems necessary in order to reflect the different context.

6.6 Appeals in respect of all offences other than Level 2 Offences by a player shall proceed by way of a de novo hearing (i.e. a fresh hearing of the evidence and/or submissions on penalty as may be applicable) by the Appeal Commissioner.

6.7 The Appeal Commissioner shall deal with appeals in respect of Level 2 Offences purely on the basis of the documentation and there shall be no hearing.

6.8 The Appeal Commissioner shall give his/her decision within seven days of the hearing. If the Appeal Commissioner considers that there are circumstances which require a period longer than seven days, he/she shall so advise the Respondent (in the case of a Respondent aged under 18, his/her parent or guardian) and inform the Chief Executive of Cricket Ireland.

6.9 If the Appeal Commissioner considers that he/she requires further information, then he/she may request such information from whomsoever he/she needs it. He/she may stipulate the time within which it must be forwarded to him/her and the time set for the determination of the appeal shall be suspended.

6.10 The Appeal Commissioner may direct that the administration fee be returned if the appeal is successful or if he/she consider that there were valid grounds for the making of the appeal which justify the return of part or all of the fee.

6.11 On his/her determination of the appeal, the Appeal Commissioner shall give notice in writing of his/her decision to the Respondent (in the case of a Respondent aged under 18, his/her parent or guardian) by letter or email and forward a copy to the Chief Executive of Cricket Ireland and, where appropriate, the Honorary Secretary of the Respondent's club and the Chief Executive/General Manager of the Provincial Union in which the Respondent's club plays.
